WE RECOGNISE OUR CUSTOMERS' NEEDS We stay in close contact with our customers and map out their needs to find the best solution, both in terms of quality and cost.

scanios
Investment of Scandinavia IOS Oy

WE FIND PRODUCT SOLUTIONS We offer our customers solutions based on their needs and suggest suitable options to ensure higher quality or a more appropriate price. Our team of experts is constantly on the lookout for possible solutions to suit the needs of our customers.

WE OFFER TRUSTWORTHY TRANSPORTATION We'll arrange the transportation to the destination country in appropriate batches to guarantee the security of the consignment. We work solely with dependable and well-known carriers and freight forwarders.
